COMMUNITY NOTICE

03 April 2025

Dear Resident

The waste collection service in the City of Johannesburg has been disrupted due to Pikitup employees gathering at the Mayor's Office.

Details of the employees' demands remain unclear but appear to be related to transportation issues. Pikitup management and the mayor's office are actively engaging with the employees to resolve the dispute.

Pikitup urges residents of the city to remain patient and understanding during this challenging period, caused by the interruption of waste collection services.

Residents can be assured that every effort is being made to resolve the situation, and Pikitup is committed to working around the clock to restore waste collection services as quickly as possible once the matter is addressed. Pikitup apologises for the inconvenience caused.
